

Revision Date: 09/13/2022

# SAFETY DATA SHEET

## 1. Identification

Identification

Product name: CURCUSHINE™ MICROCAPSULES

Additional identification

Chemical name: Mixture

Recommended use and restriction on use

**Recommended use:**None identified.
None identified.

Details of the supplier of the safety data sheet

**Supplier** 

Company Name: THE LUBRIZOL CORPORATION 29400 LAKELAND BOULEVARD WICKLIFFE, OH 44092-2298

US

Telephone: (440)943-1200

**Emergency telephone number:** 

FOR TRANSPORT EMERGENCY CALL CHEMTREC 24-HOUR NUMBER (+1)703 527 3887 OR WITHIN USA 1 800 424 9300 (CCN13437)

## 2. Hazard(s) identification

**Hazard Classification** 

Not classified

**Label Elements:** 

Hazard Symbol: No symbol

Signal Word: No signal word.

Hazard Statement: Not applicable

Precautionary Statements: Not applicable

Other hazards which do not result

None identified.

in GHS classification:

# 3. Composition/information on ingredients

**Composition Comments:** The components are not hazardous or are below required disclosure limits.

## 4. First-aid measures

Revision Date: 09/13/2022

**Ingestion:** Treat symptomatically. Get medical attention.

**Inhalation:** Remove exposed person to fresh air if adverse effects are observed.

**Skin Contact:** Wash with soap and water. If skin irritation occurs, get medical attention.

Eye contact: Any material that contacts the eye should be washed out immediately with

water. If easy to do, remove contact lenses.

Most important symptoms/effects, acute and delayed

**Symptoms:** See section 11.

Indication of immediate medical attention and special treatment needed

**Treatment:** Treat symptomatically.

## 5. Fire-fighting measures

General Fire Hazards: Avoid hose stream or any method which will create dust clouds.

Suitable (and unsuitable) extinguishing media

Suitable extinguishing

media:

Use water spray, dry chemical or foam for extinction. CO2 may be

ineffective on large fires.

Unsuitable extinguishing

media:

Not determined.

Specific hazards arising from

the chemical:

See section 10 for additional information.

## Special protective equipment and precautions for fire-fighters

Special fire-fighting procedures:

This product has not been evaluated for dust explosion potential. Powdered material may form explosive dust-air mixtures. As a precaution, implement standard safety measures for handling finely divided organic powders. This product has a high volume resistivity and a propensity to build up static electricity which may be discharged as a spark. A spark can be an ignition source for solvent vapor/air mixtures. If you add this product to a solvent, ensure appropriate safe handling practices such as provision for inerting

flammable vapors. Take care to minimze airborne dust.

Special protective equipment for fire-fighters:

Recommend wearing self-contained breathing apparatus.

#### 6. Accidental release measures

Personal precautions, protective equipment and emergency procedures:

Personal Protective Equipment must be worn, see Personal Protection

Section for PPE recommendations.

Environmental Precautions: Avoid release to the environment. Do not contaminate water sources or

sewer. Environmental manager must be informed of all major spillages.

Prevent further leakage or spillage if safe to do so.

Revision Date: 09/13/2022

Methods and material for containment and cleaning up: Pick up free solid for recycle and/or disposal. Sweep up and place in a clearly labeled container for chemical waste. Avoid dust formation. Use wet sweeping compound or water to avoid raising a dust. Collect powder using special dust vacuum cleaner with particle filter or carefully sweep into closed container.

# 7. Handling and storage

Precautions for safe handling: Observe good industrial hygiene practices. Provide adequate ventilation.

Wear appropriate personal protective equipment.

Avoid conditions which create dust. Avoid breathing dust. Avoid contact with eyes and prolonged or repeated contact with skin. Keep away from

heat, sparks and open flame.

Take precautionary measures against static discharges when there is a risk

of dust explosion. Practice good housekeeping.

**Maximum Handling** Temperature:

Not determined.

Conditions for safe storage,

including any incompatibilities: Store away from incompatible materials. See section 10 for incompatible materials. Store in a dry, well-ventilated place. Keep containers closed

when not in use.

**Maximum Storage** Temperature:

Not determined.

## 8. Exposure controls/personal protection

#### **Control Parameters:**

## **Occupational Exposure Limits**

None of the components have assigned exposure limits.

Appropriate engineering

controls:

To prevent dust explosions employ bonding and grounding for operations capable of generating static electricity. Minimize dust generation and

accumulation. Provide adequate ventilation.

## Individual protection measures, such as personal protective equipment

**General information:** Use personal protective equipment as required.

Use tight fitting goggles if dust is generated. Wear approved chemical Eye/face protection:

safety glasses or goggles where eye exposure is reasonably probable.

**Skin Protection** 

**Hand Protection:** Suitable gloves can be recommended by the glove supplier. Use good

industrial hygiene practices to avoid skin contact. If contact with the material

may occur wear chemically protective gloves.

Revision Date: 09/13/2022

Other: Long sleeve shirt is recommended.

**Respiratory Protection:** Consult with an industrial hygienist to determine the appropriate respiratory

protection for your specific use of this material. A respiratory protection program compliant with all applicable regulations must be followed whenever workplace conditions require the use of a respirator. Under normal use conditions, respirator is not usually required. Use appropriate respiratory protection if exposure to dust particles, mist or vapors is likely.

**Hygiene measures:** Always observe good personal hygiene measures, such as washing after

handling the material and before eating, drinking, and/or smoking. Routinely

wash work clothing to remove contaminants. Discard contaminated footwear that cannot be cleaned. Wash thoroughly after handling.

## 9. Physical and chemical properties

**Appearance** 

Physical state: solid
Form: Powder
Color: Orange
Odor: Characteristic
Odor threshold: No data available.

**pH:** Not applicable based on solubility in water.

Melting Point:No data available.Boiling Point:No data available.Flash Point:Not applicable.Evaporation rate:No data available.Flammability (solid, gas):No data available.

Upper/lower limit on flammability or explosive limits

Flammability limit - upper (%):

Flammability limit - lower (%):

Explosive limit - upper:

Explosive limit - lower:

Vapor pressure:

Vapor density:

Relative density:

No data available.

No data available.

No data available.

No data available.

1 - 1.1 68 °F (20 °C)

Solubility(ies)

Solubility in water: Dispersible

Solubility (other):

Partition coefficient (n-octanol/water):

Auto-ignition temperature:

Decomposition temperature:

Viscosity:

No data available.

No data available.

No data available.

No data available.

# 10. Stability and reactivity

**Reactivity:** No data available.

**Chemical Stability:** Material is stable under normal conditions.

Revision Date: 09/13/2022

Possibility of hazardous

reactions:

Will not occur.

**Conditions to avoid:** Static discharge.

**Incompatible Materials:** Strong oxidizing agents.

**Hazardous Decomposition** 

**Products:** 

Thermal decomposition or combustion may generate smoke, carbon monoxide, carbon dioxide, and other products of incomplete combustion.

# 11. Toxicological information

#### Information on likely routes of exposure

**Inhalation:** No data available.

**Ingestion:** No data available.

**Skin Contact:** No data available.

**Eye contact:** No data available.

## Information on toxicological effects

**Acute toxicity** 

Oral

Product: Not classified for acute toxicity based on available data.

**Dermal** 

Product: Not classified for acute toxicity based on available data.

Inhalation

No data available

Skin Corrosion/Irritation:

Product: Remarks: Not classified as a primary skin irritant.

Serious Eye Damage/Eye Irritation:

Product: Remarks: Not classified as a primary eye irritant.

Respiratory sensitization:

No data available

Skin sensitization:

No data available

**Specific Target Organ Toxicity - Single Exposure:** 

No data available

**Aspiration Hazard:** 

No data available

**Chronic Effects** 

Carcinogenicity:

No data available

Revision Date: 09/13/2022

## IARC Monographs on the Evaluation of Carcinogenic Risks to Humans:

No carcinogenic components identified

## **US. National Toxicology Program (NTP) Report on Carcinogens:**

No carcinogenic components identified

## US. OSHA Specifically Regulated Substances (29 CFR 1910.1001-1050), as amended:

No carcinogenic components identified

**Germ Cell Mutagenicity:** 

No data available

Reproductive toxicity:

No data available

## **Specific Target Organ Toxicity - Repeated Exposure:**

No data available

# 12. Ecological information

## **Ecotoxicity**

**Fish** 

No data available

**Aquatic Invertebrates** 

No data available

**Toxicity to Aquatic Plants** 

No data available

Toxicity to soil dwelling organisms

No data available

**Sediment Toxicity** 

No data available

**Toxicity to Terrestrial Plants** 

No data available

**Toxicity to Above-Ground Organisms** 

No data available

Toxicity to microorganisms

No data available

Persistence and Degradability

Biodegradation

No data available

Bioaccumulative potential

**Bioconcentration Factor (BCF)** 

No data available

Partition Coefficient n-octanol / water (log Kow)

No data available

Revision Date: 09/13/2022

**Mobility:** 

No data available

Other adverse effects

No data available

## 13. Disposal considerations

**Disposal instructions:** Treatment, storage, transportation, and disposal must be in accordance

with applicable Federal, State/Provincial, and Local regulations.

Since emptied containers retain product residue, follow label warnings even

after container is emptied.

**Contaminated Packaging:** Container packaging may exhibit hazards.

## 14. Transport information

#### DOT

Not regulated.

#### **IMDG**

Not regulated.

#### IATA

Not regulated.

## Transport in bulk according to Annex II of MARPOL and the IBC Code

None known.

The DOT shipping information in this section is based on a bulk container. Please review the accompanying shipping papers for the correct shipping descriptions based the size of the package. Shipping descriptions may vary based on mode of transport, quantities, temperature of the material, package size, and/or origin and destination. It is the responsibility of the transporting organization to follow all applicable laws, regulations and rules relating to the transportation of the material. During transportation, steps must be taken to prevent load shifting or materials falling, and all relating legal statutes should be obeyed. Review classification requirements before shipping materials at elevated temperatures.

## 15. Regulatory information

## **US Federal Regulations**

# TSCA Section 12(b) Export Notification (40 CFR 707, Subpt. D)

None present or none present in regulated quantities.

#### TSCA Section 5(a)2 Significant New Use Rule (SNURs) (40CFR 721, Subpt E)

None present or none present in regulated quantities.

## **CERCLA Hazardous Substance List (40 CFR 302.4)**

None present or none present in regulated quantities.

## Superfund amendments and reauthorization act of 1986 (SARA)

## **SARA 311 Classifications**

Not classified

Revision Date: 09/13/2022

#### **SARA 302 Extremely Hazardous Substance**

None present or none present in regulated quantities.

#### **SARA 304 Emergency Release Notification**

None present or none present in regulated quantities.

## SARA 313 (TRI Reporting)

None present or none present in regulated quantities.

#### **US State Regulations**

#### **US. California Proposition 65**

No ingredient requiring a warning under CA Prop 65.

# **Inventory Status**

Australia (AIIC)

May require notification before sale under Australian regulations.

## Canada (DSL/NDSL)

May require notification before sale under Canadian regulations.

#### China (IECSC)

This product may require notification in China.

# European Union (REACh)

To obtain information on the REACH compliance status of this product, please e-mail REACH@SDSInquiries.com.

## Great Britain (UK REACH)

To obtain information on the UK REACH compliance status of this product, please e-mail REACH@SDSInquiries.com.

## Japan (ENCS)

May require notification in Japan.

## Korea (ECL)

May require notification before sale in Korea.

## New Zealand (NZIoC)

May require notification before sale under New Zealand regulations.

## Philippines (PICCS)

May require notification before sale under Philippines Republic Act 6969.

#### Switzerland (SWISS)

May require notification before sale in Switzerland.

#### Taiwan (TCSCA)

May require notification before sale in Taiwan.

Revision Date: 09/13/2022

## Turkey (KKDIK)

To obtain information on the KKDIK compliance status of this product, please e-mail REACH@SDSInquiries.com.

#### United States (TSCA)

May require notification in the U.S. Commercial shipments from the supplier's U.S. location must be exported to non U.S. customers only. Research and development quantities must bear special labels and shipping papers. Sample recipients must comply with the requirements for an R&D exemption under TSCA.

The information that was used to confirm the compliance status of this product may deviate from the chemical information shown in Section 3.

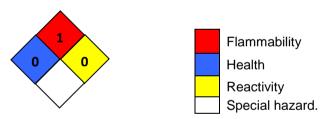

# 16.Other information, including date of preparation or last revision

#### **HMIS Hazard ID**

Hazard rating: 0 - Minimal; 1 - Slight; 2 - Moderate; 3 - Serious; 4 - Severe; RNP - Rating not possible; \*Chronic health effect

#### NFPA Hazard ID

Hazard rating: 0 - Minimal; 1 - Slight; 2 - Moderate; 3 - Serious; 4 - Severe; RNP - Rating not possible

Issue Date: 09/13/2022

Version #: 2.0

**Source of information:** Internal company data and other publically available resources.

Further Information: Contact supplier (see Section 1)

Revision(s) are noted by the double bar in the margin and the light gray box.

**Disclaimer:** As the conditions or methods of use are beyond our control, we do not

assume any responsibility and expressly disclaim any liability for any use of this product. Information contained herein is believed to be true and accurate but all statements or suggestions are made without warranty, expressed or implied, regarding accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable federal, state, and local regulations remains

the responsibility of the user.

Revision Date: 09/13/2022
