

Safety Data Sheet

Prepared in Accordance with OSHA 29 CFR 1910.1200

Date: October 14, 2020

Section 1—CHEMICAL PRODUCT AND COMPANY IDENTIFICATION

Product Name: NutriFusion/GrandFusion® Stabilized Fruit and Vegetable Powder Blends

Manufacturer/Supplier:
NutriFusion, LLC
10641 Airport Pulling Rd N., Ste 31
Naples, FL 34109-7330
239-300-9702

IN CASE OF EMERGENCY: 404-240-0030
International: 011-404-240-0030

Section 2—COMPOSITION AND INFORMATION ON INGREDIENTS

Name	CAS #	% by Wt.	Exposure Limits	LC ₅₀ /LD ₅₀
Stabilized Fruit & Vegetable Powders				
	Blend	100		

Section 3—HAZARDS IDENTIFICATION

Health Hazards (Acute & Chronic): None

Potential Health Effects:

Routes of Exposure:

Eye:

Skin:

Inhalation:

Ingestion:

Symptoms:

Mild Eye Irritation

N/A

May cause irritation to upper respiratory tract (nose and throat)

N/A

Section 4—FIRST AID MEASURES

Eye Contact: Flush with copious amounts of water

Skin Contact: N/A

Inhalation: If breathing difficulty occurs, remove to fresh air and seek medical attention.

Ingestion: N/A

Section 5—FIRE FIGHTING MEASURES

Flash Point: >220°C (428°F)

Flammable Limits in Air:

LEL (Lower Explosive Limit): Low

UEL (Upper Explosive Limit): Low

Fire: Possible

Extinguishing Media: carbon dioxide, water, dry chemical or foam as appropriate for surrounding fire and materials.

Fire Fighting Instructions: wear full protective clothing and NIOSH approved self-contained breathing apparatus. Material will burn if involved in a fire. Like most organic powders, under severe dusting conditions, this material may form explosive dust-air mixture.

Section 6—ACCIDENTAL RELEASE MEASURES

Spill Clean Up: Sweep up material and place into suitable disposal containers. So not to allow spillage into sewage system, surface or group water.

Section 7—STORAGE

Storage: Store in a dry area with temperatures not exceeding 24C (75F). When container is opened and unsealed, it is recommended to store in a refrigerator and do not store in direct sunlight.

Section 8—EXPOSURE CONTROLS / PERSONAL PROTECTION

Engineering Controls:

Ventilation / Exhaust: Good general ventilation should be provided.

Personal Protection:

Eye/Face: Safety goggles recommended

Skin: As necessary to protect from skin irritation

Respiratory: Dust/mist type mask recommended

Section 9—PHYSICAL AND CHEMICAL PROPERTIES

Physical State/Appearance:	Powder	Specific Gravity:	N/A
Solubility in Water: (Emulsifies)	Semi-soluble	Melting Point:	N/A
Boiling Point:	N/A	Vapor Density:	N/A
Evaporation Rate:	N/A	Volatility:	N/A

Section 10—STABILITY AND REACTIVITY DATA

Stability: Stable

Conditions to Avoid: None

Incompatibility with Various Substances: None known

Hazardous Decomposition Products: None known

Hazardous Polymerization: Will not occur

Section 11—TOXICOLOGICAL INFORMATION

Not Applicable

Section 12—ECOLOGICAL INFORMATION

Not Applicable

Section 13—DISPOSAL CONSIDERATIONS

Waste Information: Dispose of material as for any non-hazardous material in approved sanitary landfill in accordance with Federal, State and Local regulations.

Section 14—TRANSPORT INFORMATION

Not regulated as hazardous material by DOT

Section 15—REGULATORY INFORMATION

USA – Powder is generally recognized as safe (GRAS) based upon 21 CFR 170.30 and/or the use of conventional Processing as practiced prior to 1958.

Section 16—OTHER INFORMATION

NutriFusion, LLC warrants that the product or products described herein will conform with its published specifications. The products supplied by NutriFusion, LLC and information related to them are intended for use by buyers having necessary industrial skill and knowledge. Buyers should undertake sufficient verification and testing to determine the suitability of the NutriFusion, LLC materials for their own particular purpose. Since buyer's conditions of use of product are beyond NutriFusion, LLC's control, NutriFusion, LLC does not warrant any recommendations and information for the use of such products. NutriFusion, LLC disclaims all other warranties including the implied warranty of merchantability and fitness for any particular purpose in connection with the use of its products.
