

# SAFETY DATA SHEET

1. Identification	
Identification Product name:	LIPOPHYTOL™ P DISPERSIBLE / LI0056
Additional identification Chemical name:	Mixture
Recommended use and restrictio Recommended use: Restrictions on use:	n on use None identified. None identified.
Details of the supplier of the safe	ty data sheet
Address: 294 WIC	E LUBRIZOL CORPORATION 00 LAKELAND BOULEVARD CKLIFFE, OH 44092-2298
US Telephone: (440	0)943-1200
Emergency telephone number: FOR TRANSPORT EMERGENCY ( 1 800 424 9300 (CCN13437)	CALL CHEMTREC 24-HOUR NUMBER (+1)703 527 3887 OR WITHIN USA
2. Hazard(s) identification	
Hazard Classification	Not classified
Label Elements:	
Hazard Symbol:	No symbol
Signal Word:	No signal word.
Hazard Statement:	Not applicable
Precautionary Statements:	Not applicable
Other hazards which do not resul	t None identified.

#### 3. Composition/information on ingredients

Chemical name	CAS number	Percent by Weight
Sucrose Esters	84066-95-5	1 – 5%

#### 4. First-aid measures

in GHS classification:

SDS\_US - LIPOPHYTOL™ P DISPERSIBLE / LI0056

Ingestion:	Treat symptomatically. Get medical attention.
Inhalation:	Remove exposed person to fresh air if adverse effects are observed.
Skin Contact:	Wash with soap and water. If skin irritation occurs, get medical attention.
Eye contact:	Any material that contacts the eye should be washed out immediately with water. If easy to do, remove contact lenses.
Most important symptoms/effect	ts, acute and delayed
Symptoms:	See section 11.
Indication of immediate medical	attention and special treatment needed
Treatment:	Treat symptomatically.
5. Fire-fighting measures	
General Fire Hazards:	Avoid hose stream or any method which will create dust clouds.
Suitable (and unsuitable) exting Suitable extinguishing media:	uishing media Use water spray, dry chemical or foam for extinction. CO2 may be ineffective on large fires.
Unsuitable extinguishing media:	Not determined.
Specific hazards arising from the chemical:	See section 10 for additional information.
Special protective equipment an Special fire-fighting procedures:	Ad precautions for fire-fighters This product has not been evaluated for dust explosion potential. Powdered material may form explosive dust-air mixtures. As a precaution, implement standard safety measures for handling finely divided organic powders. This product has a high volume resistivity and a propensity to build up static electricity which may be discharged as a spark. A spark can be an ignition source for solvent vapor/air mixtures. If you add this product to a solvent, ensure appropriate safe handling practices such as provision for inerting flammable vapors. Take care to minimze airborne dust.
Special protective equipment for fire-fighters:	Recommend wearing self-contained breathing apparatus.
6. Accidental release measures	5
Personal precautions, protective equipment and emergency procedures:	Personal Protective Equipment must be worn, see Personal Protection Section for PPE recommendations.
Environmental Precautions:	Avoid release to the environment. Do not contaminate water sources or sewer. Environmental manager must be informed of all major spillages. Prevent further leakage or spillage if safe to do so.

Methods and material for containment and cleaning up:	Pick up free solid for recycle and/or disposal. Sweep up and place in a clearly labeled container for chemical waste. Avoid dust formation. Use wet sweeping compound or water to avoid raising a dust. Collect powder using special dust vacuum cleaner with particle filter or carefully sweep into closed container.
7. Handling and storage	
Precautions for safe handling:	Observe good industrial hygiene practices. Provide adequate ventilation. Wear appropriate personal protective equipment. Avoid conditions which create dust. Avoid breathing dust. Avoid contact with eyes and prolonged or repeated contact with skin. Keep away from heat, sparks and open flame. Take precautionary measures against static discharges when there is a risk of dust explosion. Practice good housekeeping.
Maximum Handling Temperature:	Not determined.
Conditions for safe storage, including any incompatibilities:	Store away from incompatible materials. See section 10 for incompatible materials. Store in a dry, well-ventilated place. Keep containers closed when not in use.
Maximum Storage Temperature:	Not determined.

## 8. Exposure controls/personal protection

#### Control Parameters:

#### **Occupational Exposure Limits**

None of the components have assigned exposure limits.

Appropriate engineering controls:	To prevent dust explosions employ bonding and grounding for operations capable of generating static electricity. Minimize dust generation and accumulation. Provide adequate ventilation.
Individual protection measures,	such as personal protective equipment
General information:	Use personal protective equipment as required.
Eye/face protection:	Use tight fitting goggles if dust is generated. Wear approved chemical safety glasses or goggles where eye exposure is reasonably probable.
Skin Protection	

# **Hand Protection:** Suitable gloves can be recommended by the glove supplier. Use good industrial hygiene practices to avoid skin contact. If contact with the material may occur wear chemically protective gloves.

Other:	Long sleeve shirt is recommended.
Respiratory Protection:	Consult with an industrial hygienist to determine the appropriate respiratory protection for your specific use of this material. A respiratory protection program compliant with all applicable regulations must be followed whenever workplace conditions require the use of a respirator. Under normal use conditions, respirator is not usually required. Use appropriate respiratory protection if exposure to dust particles, mist or vapors is likely.
Hygiene measures:	Always observe good personal hygiene measures, such as washing after handling the material and before eating, drinking, and/or smoking. Routinely wash work clothing to remove contaminants. Discard contaminated footwear that cannot be cleaned. Wash thoroughly after handling.

#### 9. Physical and chemical properties

Appearance	
Physical state:	solid
Form:	Powder
Color:	White, Off-white
Odor:	Characteristic
Odor threshold:	No data available.
pH:	Not applicable based on solubility in water.
Melting Point:	No data available.
Boiling Point:	No data available.
Flash Point:	Not applicable.
Evaporation rate:	No data available.
Flammability (solid, gas):	No data available.
Upper/lower limit on flammability or explosition	ive limits
Flammability limit - upper (%):	No data available.
Flammability limit - lower (%):	No data available.
Explosive limit - upper:	No data available.
Explosive limit - lower:	No data available.
Vapor pressure:	No data available.
Vapor density:	No data available.
Relative density:	1 - 1.1
Solubility(ies)	
Solubility in water:	Dispersible
Solubility (other):	No data available.
Partition coefficient (n-octanol/water):	No data available.
Auto-ignition temperature:	No data available.
Decomposition temperature:	No data available.
Viscosity:	No data available.

#### 10. Stability and reactivity

**Reactivity:** 

No data available.

Chemical Stability:

Material is stable under normal conditions.

SDS\_US - LIPOPHYTOL™ P DISPERSIBLE / LI0056

Possibility of hazardous reactions:	Will not occur.
Conditions to avoid:	Static discharge.
Incompatible Materials:	Strong oxidizing agents.
Hazardous Decomposition Products:	Thermal decomposition or combustion may generate smoke, carbon monoxide, carbon dioxide, and other products of incomplete combustion.

## 11. Toxicological information

Information on likely routes of ex Inhalation:	<b>posure</b> No data available.
Ingestion:	No data available.
Skin Contact:	No data available.
Eye contact:	No data available.
Information on toxicological effect Acute toxicity Oral Product:	ts Not classified for acute toxicity based on available data.
<b>Dermal</b> Product:	Not classified for acute toxicity based on available data.
Inhalation	No data available
Skin Corrosion/Irritation: Product:	Remarks: Not classified as a primary skin irritant.
Serious Eye Damage/Eye Irr Product:	ritation: Remarks: Not classified as a primary eye irritant.
Respiratory sensitization:	No data available
Skin sensitization:	No data available
Specific Target Organ Toxic	<b>Sity - Single Exposure:</b> No data available
Aspiration Hazard:	No data available
Chronic Effects Carcinogenicity:	No data available

#### IARC Monographs on the Evaluation of Carcinogenic Risks to Humans:

No carcinogenic components identified

#### US. National Toxicology Program (NTP) Report on Carcinogens:

No carcinogenic components identified

#### US. OSHA Specifically Regulated Substances (29 CFR 1910.1001-1050), as amended: No carcinogenic components identified

Germ Cell Mutagenicity:

No data available

**Reproductive toxicity:** 

No data available

#### Specific Target Organ Toxicity - Repeated Exposure: No data available

#### 12. Ecological information

Ecotoxicity Fish	
	No data available
Aquatic Invertebrates	No data available
Toxicity to Aquatic Plants	No data available
Toxicity to soil dwelling organisms	<b>s</b> No data available
Sediment Toxicity	No data available
Toxicity to Terrestrial Plants	No data available
Toxicity to Above-Ground Organis	m <b>s</b> No data available
Toxicity to microorganisms	No data available
Persistence and Degradability Biodegradation	No data available
Bioaccumulative potential Bioconcentration Factor (BCF)	
()	No data available
Partition Coefficient n-octanol / wa	ater (log Kow) No data available

Mobility:	No data available
Other adverse effects	No data available
13. Disposal considerations	
Disposal instructions:	Treatment, storage, transportation, and disposal must be in accordance with applicable Federal, State/Provincial, and Local regulations. Since emptied containers retain product residue, follow label warnings even after container is emptied.
Contaminated Packaging:	Container packaging may exhibit hazards.
14. Transport information	

#### DOT

Not regulated.

#### IMDG

Not regulated.

#### ΙΑΤΑ

Not regulated.

#### Transport in bulk according to Annex II of MARPOL and the IBC Code None known.

The DOT shipping information in this section is based on a bulk container. Please review the accompanying shipping papers for the correct shipping descriptions based the size of the package. Shipping descriptions may vary based on mode of transport, quantities, temperature of the material, package size, and/or origin and destination. It is the responsibility of the transporting organization to follow all applicable laws, regulations and rules relating to the transportation of the material. During transportation, steps must be taken to prevent load shifting or materials falling, and all relating legal statutes should be obeyed. Review classification requirements before shipping materials at elevated temperatures.

#### 15. Regulatory information

#### **US Federal Regulations**

#### TSCA Section 12(b) Export Notification (40 CFR 707, Subpt. D)

None present or none present in regulated quantities.

#### TSCA Section 5(a)2 Significant New Use Rule (SNURs) (40CFR 721, Subpt E)

None present or none present in regulated quantities.

#### CERCLA Hazardous Substance List (40 CFR 302.4)

None present or none present in regulated quantities.

#### Superfund amendments and reauthorization act of 1986 (SARA)

#### SARA 311 Classifications

Not classified

#### SARA 302 Extremely Hazardous Substance

None present or none present in regulated quantities.

#### SARA 304 Emergency Release Notification

None present or none present in regulated quantities.

#### SARA 313 (TRI Reporting)

None present or none present in regulated quantities.

#### US State Regulations

#### **US.** California Proposition 65

No ingredient requiring a warning under CA Prop 65.

#### **Inventory Status**

Australia (AIIC) May require notification before sale under Australian regulations.

Canada (DSL/NDSL) May require notification before sale under Canadian regulations.

China (IECSC)

This product may require notification in China.

European Union (REACh)

To obtain information on the REACH compliance status of this product, please e-mail REACH@SDSInquiries.com.

Great Britain (UK REACH)

To obtain information on the UK REACH compliance status of this product, please e-mail REACH@SDSInquiries.com.

Japan (ENCS) May require notification in Japan.

#### Korea (ECL)

May require notification before sale in Korea.

New Zealand (NZIoC)

May require notification before sale under New Zealand regulations.

Philippines (PICCS) May require notification before sale under Philippines Republic Act 6969.

Switzerland (SWISS) May require notification before sale in Switzerland.

Taiwan (TCSCA)

All components of this product are listed on the Taiwan inventory.

#### Turkey (KKDIK)

To obtain information on the KKDIK compliance status of this product, please e-mail REACH@SDSInquiries.com.

United States (TSCA)

May require notification in the U.S. Commercial shipments from the supplier's U.S. location must be exported to non U.S. customers only. Research and development quantities must bear special labels and shipping papers. Sample recipients must comply with the requirements for an R&D exemption under TSCA.

The information that was used to confirm the compliance status of this product may deviate from the chemical information shown in Section 3.

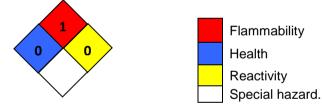

#### 16.Other information, including date of preparation or last revision

#### **HMIS Hazard ID**

Hazard rating: 0 - Minimal; 1 - Slight; 2 - Moderate; 3 - Serious; 4 - Severe; RNP - Rating not possible; \*Chronic health effect

#### **NFPA Hazard ID**

Hazard rating: 0 - Minimal; 1 - Slight; 2 - Moderate; 3 - Serious; 4 - Severe; RNP - Rating not possible

Issue Date:	09/13/2022
Version #:	2.0
Source of information:	Internal company data and other publically available resources.
Further Information:	Contact supplier (see Section 1)
	Revision(s) are noted by the double bar in the margin and the light gray box.
Disclaimer:	As the conditions or methods of use are beyond our control, we do not assume any responsibility and expressly disclaim any liability for any use of this product. Information contained herein is believed to be true and accurate but all statements or suggestions are made without warranty, expressed or implied, regarding accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable federal, state, and local regulations remains the responsibility of the user.

SDS\_US - LIPOPHYTOL™ P DISPERSIBLE / LI0056
